

Scholarship Addendum (Phoenix Campus Only)

Presidential Scholarship

The following Presidential Scholarship replaces the “High School Presidential Scholarship” as of 8/21/23:

The Phoenix Campus Presidential Scholarship is a \$2,000 award issued to an eligible student whose household income is less than \$25,000 annually. The intent of this scholarship award is to assist the student and their family through educational training that provides potential career opportunities. The scholarship award will be applied to the student’s account at the successful completion of the program. Students who are dismissed/or withdrawn from the program may lose their scholarship eligibility.

Workforce Innovation and Opportunity Act (WIOA) Scholarship

The following Workforce Innovation and Opportunity Act (WIOA) Scholarship replaces the “Maricopa Workforce Scholarship” as of 5/1/24:

The Maricopa Workforce Scholarship is up to a \$6,000 award issued to an eligible student who meets specific scholarship selection criteria. The intent of this scholarship award is to assist the student and their family through educational training that provides potential career opportunities allowing them to stabilize and improve their quality of life. The scholarship award will be applied to the student's account at the successful completion of the program.

Tribal Scholarship

The Tribal Scholarship is a \$1,000 award issued to an eligible student who meets specific scholarship selection criteria. The intent of this scholarship award is to assist Tribal Members and their family through educational training that provides potential career opportunities allowing them to stabilize and improve their quality of life. The scholarship award will be applied to the student's account at the successful completion of the program.
